FRONT PAGE

MVP for laoptic.com was created within 2 weeks.

PRODUCTS BY MAN

LaOptic has clear / simple and stylish design.

PRODUCT PAGE

The screenshot shows a web browser window displaying the product page for Ermenegildo Zegna glasses. The browser's address bar shows "laoptic.com". The website header features the "La'Optic" logo and navigation links for "Мужские", "Женские", and "Доставка".

The main content area is divided into two columns. The left column contains a large image of a pair of black, rectangular, matte-finish glasses. The right column contains the product details:

- Ermenegildo Zegna**
- Classic Matte Large**
- Классическая матовая модель сочетает в себе простоту линий и геометрически чистую форму, подходящую как для делового, так и для повседневного стиля.
- Цена **5490 руб.**
- Артикул: #8133405

A dark blue button labeled "КУПИТЬ" is positioned next to the price. Below the main image, there are three small thumbnail icons: a front view of the glasses, a side profile view, and a close-up of the temple.

TECHNOLOGIES

laoptic.com is written on Django (Python) Web Framework.
We made simple and powerful admin panel for managers.
